Dear Dana Brooks Brown, Thank you for your comment. Currently, there is not a separate file that lists all of the vocabulary words in our 7th grade mathematics course. However, we do have Glossaries at the end of each presentation. These slides are designed to be shown during instruction. They can also be printed out and hung up in classrooms.

I responded to your comment in the 6th grade section but will also respond here. We recently discovered this discrepancy and are working to correct it. We are reviewing and revising all of the 6th and 7th grade curriculum in order to include all standards in a more inquisitive manner that also ties in appropriate math skills.
