What Is Sociology? | Introduction to Sociology

Introduction to Sociology. Concerts, sports games, and political rallies can have very large crowds. When you attend one of these events, you may know only the

people you came with. Yet you may experience a feeling of connection to the group. You are one of the crowd. You cheer and applaud when everyone else does. You boo and yell alongside them.

The Real World: An Introduction to Sociology- Chapter 9 ...

Sociology is the study of groups and group interactions, societies and social interactions, from small and personal groups to very large groups. A group of people who live in a defined geographic area, who interact with one another, and who share a common culture is what sociologists call a society. Sociologists study all aspects and levels of society.

An Introduction to Sociology

Introduction to Sociology Chapter 01 - History and Introduction This New Science of Societies: Sociology Sociology is a relatively new discipline in comparison to chemistry, math, biology, philosophy and other disciplines that trace back thousands of years.

Introduction To Sociology : 01 History and Introduction

Sociology is the scientific study of social behavior and human groups. Sociology has many sub-sections of study—ranging from the analysis of conversations, to the development of theories, to explaining how the world works. This section will introduce you to sociology, give a brief history of the discipline, and demonstrate how sociology can help you understand the world around you using sociological theories.
