Where To Download Behind The Shock Machine

In *Behind the Shock Machine*, psychologist and author Gina Perry unearths for the first time the full story of this controversial experiment and its startling repercussions. Interviewing the original participants—many of whom remain haunted to this day about what they did—and delving deep into Milgram's personal archive, she pieces together a more complex picture and much more troubling picture of these experiments than was originally presented by Milgram.

Milgram's obedience experiments - Gina Perry Gina Perry

In the summer of 1961, a group of men and women volunteered for an experiment run by young, dynamic psychologist Stanley Milgram. None imagined that, once in the lab, they would be seated behind a box known as a shock machine and ordered to give electric shocks to a man they d just met.
