### **Write your business plan**

A formal business plan document is an extension of the internal business plan or the Lean Plan. It's mostly a snapshot of the internal plan as it existed at a certain time. But while an internal plan is short on polish and formality, a formal business plan document should be very well-presented, with more attention to detail in the language ...

### **What Are the Functions of a Business Plan? | Bizfluent**

Devoid of fluff, a business plan is a business document that is written for a variety of audiences. You might send your business plan to investors or it might be written for the benefit of your employees. Generally, the audience should have no bearing on the content. In the end, the business plan is about the business, its goals and how to achieve those goals.
