### **“Eveline” by James Joyce (from Dubliners): A Commentary ...**

One of the most fascinating elements of “Eveline” in Dubliners, by James Joyce is the way the whole of a life is summarized through small images and the act of witness—both on the part of the reader as well as the character as this character offers a summary of important life events that culminate into one moment. While certainly the story of “Eveline” in “The Dubliners” by James Joyce culminates in her final decision not to leave that which is familiar, one could easily argue ...

Analysis. Though short and easy to read, this story is devastating, possibly the most powerful in the book. (The other candidate for that honor would be "The Dead.") It is yet another Dubliners tale about paralysis, as Eveline stands on the pier at story's end, frozen in place by fear and guilt. She wants to leave Ireland, but she quite literally cannot move, speak, or even express emotion on her face.

### **Eveline Analysis - eNotes.com**

Analysis Eveline’s story illustrates the pitfalls of holding onto the past when facing the future. Hers is the first portrait of a female in Dubliners , and it reflects the conflicting pull many women in early twentieth-century Dublin felt between a domestic life rooted in the past and the possibility of a new married life abroad.
