Free Family Genealogy Documents . Two of the following documents are interactive which will allow you to type information in the fields online before saving it locally to your computer or sending the updated document to family members. The advantage here is that typed entries are neater than those of the hand-written variety, plus they are editable should you find more information and need to correct or update them.

Organizing Your Files • FamilySearch

By Location: Papers are first grouped by one of the four genealogy filing systems listed above, and then further broken down by country, state, county, or town to reflect your ancestor's migration. For example, if you chose the Surname Method,

you would first group all CRISP ancestors together, and then further break the piles down into the England CRISPs, the North Carolina CRISPs, and the Tennessee CRISPs.
