getting started in fundamental analysis pdf

For a book called "Getting Started in Fundamental Analysis", this book contains remarkably little material relating to the subject. It does do a good job discussing the potential pitfalls involved in reading a financial statement. However, it has very little practical advice on actually performing analysis. Overall, the book is poorly organized ...

Getting Started In Fundamental Analysis [PDF, EPUB EBOOK]

The biggest criticisms of fundamental analysis come primarily from two groups: proponents of technical analysis and believers of the “efficient market hypothesis”. Technical analysis is the other major form of security analysis. We’re not going to get into too much detail on the subject. (More information is available in
