“[W]ith great honesty and empathy, Love That Boy recounts how Fournier set aside a heavy burden of fatherly expectations to understand and embrace his son Tyler, an extraordinary young man... It is a brief, moving reflection, not only on parenthood, but on what it means to accept another human being entirely, for who they really are, and how much harder that can be with those who are closest to us.”

Love That Boy is about a father who takes his son, Tyler, on a series of road trips to meet presidents and visit presidential libraries as a bonding and learning experience. The learning experience aspect was more for the father than the son though Not going to lie, this is not a book I would have sought out on my own.
