Strengthening Health Systems-Improving Services. The Nepal Health Sector Support Programme 3 (NHSSP 3) is funded by UK Aid from the UK government, and is being implemented from April 2017 to December 2020. It is designed to support the goals of the National Health Sector Strategy (NHSS) and is focused on enhancing the capacity of the Ministry of Health and Population (MoH) to build a resilient health system to provide quality health services for all.

NHSSP: Nepal Health Sector Support Programme

Introduction: Nepal has one of the world's lowest physician to population ratios, with a critical shortage of rural physicians. The Nepal Government uses the private sector to address this shortage of rural physicians. All private medical colleges must offer total scholarships, free of cost, to a proportion of their annual MBBS student intake. These scholarships come with a compulsory two-year ...

Bing: Nepal Health Sector Programme Iii

The new programme will be an integral part of the third sector wide approach (SWAp) in the health sector in Nepal and is likely to form a combination of financial aid and technical assistance. The main purpose of the technical assistance will be to improve the efficiency of the entire Government of Nepal's health sector programme. It will need to align to the new five year health sector plan (Nepal Health Sector Programme- 3) and work alongside Government and other donor partners.
