Origins:Discovery was a very worthy addition to the Origins series. Henrikson once again follows Hastelloy through time, this time as the American continent is discovered. I found it very fun to follow such well known figures once again, this time it was Columbus and Ponce de Leon as they forged history with

Hastelloy in tow.

Oct 31, 2012 Mark Henrikson rated it it was amazing ·  
(Review from the author) · review of another edition I  
wasn't going to review my own work until I saw  
another author go into why they wrote their novel  
rather than a true review and thought that was a  
pretty fun idea.
