Essential Social Psychology (Sage Edge) 3rd Edition

Social psychology concerns the interplay between the individual person and the social situation. The social situation refers to the other people we interact with every day. The key aspect of the social situation is that the people around us produce social influence, or the processes through which other people change our thoughts, feelings, and ...

Chapter Summary - Principles of Social Psychology - 1st ...

"The third edition builds upon two previous excellent surveys of social psychological research on aggression, and its applications to the real-life problems that human aggression causes. As before, the strengths are Barbara Krahe's clear exposition of her broad and detailed knowledge of the academic research, and how it can generate solutions to real-world problems."
