The Illusion of the End by Jean Baudrillard

Philosophy / Social Theory. The year 2000, the end of the millennium: is this anything other than a mirage, the illusion of an end, like so many other imaginary endpoints which have littered the path of history? In this remarkable book Jean Baudrillard—France's leading theorist of postmodernity—argues that the notion of the end is part of the fantasy of a linear history.

End-of-history illusion - Wikipedia

In Co-Illusion, the noted writer on art, photography, and politics David Levi Strauss bears witness to the new “iconopolitics” in which words and images lose their connection to reality. The collusion that fueled Trump's rise was the secret agreement of voters and media consumers—their “co-illusion”—to set aside the social contract.

The end-of-history illusion is a psychological illusion in which individuals of all ages believe that they have experienced significant personal growth and changes in tastes up to the present moment, but will not substantially grow or mature in the future. Despite recognizing that their perceptions have evolved, individuals predict that their perceptions will remain roughly the same in the future. The illusion is based on the fact that at any given developmental stage, an individual can observe

End Times; The Illusion of Renewable Energy By Jonathan C. Brentner. With the intense media focus on COVID-19, one might think that climate change has dropped from the radar screen of the globalists, but such is not the case. The coronavirus has provided them with an easier path to introduce social control to the world; but make no mistake ...

The Illusion of the End. Stanford, CA: Stanford UP, 1992. Print. The Event Strike: “What we seek now is not glory but identity, not an illusion but, on the contrary, an accumulation of proofs - anything that can serve as evidence of a historical existence” (21). Baudrillard opens his chapter with this claim.

The Illusion of the End | Suzanne Parenti Sink

Jean Baudrillard's The Illusion of the End is a fantastic read whether one chooses to take the author seriously or whether one simply wishes to loose himself in the author's creative metaphors which sum up the meaning of life and death in our modern (post-modern) society with a few hard-hitting words and phrases.

What we need now goes beyond simple reforms and enters the realm of transformational change. Many articles and videos (including those by End The Illusion) connect these dots so that more and more people are becoming aware. This awareness is the first step in the process for transformational change to take place.

The Illusion Of The End

This was a very interesting book. It discusses the illusion of the existence of an end. Nowadays, we live in a situation in which the end as such cannot happen. The end fades away with time because we are moving in circles rather than in a linear manner, and this situation has devastating consequences on the us as human beings.
