### Rise of the Iliri Series by Auryn Hadley - Goodreads

In classical antiquity, Illyria was a region in the western part of the Balkan Peninsula inhabited by numerous tribes of people collectively known as the Illyrians. Besides them, this region was also settled, in various times, by some tribes of Celts, Goths and Thracians. Illyrians spoke Illyrian languages, a group of Indo-European languages, which in ancient times perhaps had speakers in some parts in Southern Italy. The geographical term Illyris was used to define approximately the area of nor

When writing BloodLust (Rise of the Iliri #1) Zep went rogue. He demanded a complete restructuring of the series because he just wouldn't fall into the stereotypical role I had initially envisioned for him. I can't thank him enough - even if he is just a fictional character - for showing me that sometimes a good book doesn't play by the rules.
